Draft Work Programme Sept – Dec 2005

1. The attached draft work programme sets out the proposed agenda for the Committee to December 2005. Dates for consideration of bills at Stage 2, as amended, are approximate, as they are dependent upon the lead Committees’ timetables which can be subject to change. The current programme does not include primary legislation expected to be introduced before Christmas and this information will be added as soon as possible.

2. It is proposed that this work programme is updated and circulated to members on a weekly basis. It is also proposed that it is published and updated on the Committee’s website.
