1. Members

1.1 Elections

There are two methods of electing Members to the Scottish Parliament. There are 73 constituency members, based on the UK Parliament constituencies in existence prior to 2004, elected by the first past the post system. A further 56 regional members, 7 for each of the 8 regions used in the European Parliament elections, prior to 1999, were elected using the additional Member System. This is a form of proportional representation using party lists, which ensures that each party's representation in the Parliament reflects its overall share of the vote.

1.4 Officers of the Parliament

1.4.1 Presiding Officers

The **Presiding Officer** is elected by other Members of the Scottish Parliament (MSPs) and is in charge of ensuring that the business of the Parliament is conducted effectively, on time, fairly, and within the rules and in an orderly manner. The Presiding Officer has no party allegiance whilst in the chair. There are also two **Deputy Presiding Officers** who must also act impartially when they are chairing parliamentary meetings; when they are not chairing parliamentary meetings they can play a full part in parliamentary business.

The Presiding Officer and Deputy Presiding Officers continue to serve in post during dissolution and until the election of the next Presiding Officer in a new session.

	Party	Dates of election
Presiding Officer		
George Reid	NPA	7 May 2003
Deputy Presiding Officers		
Trish Godman	Lab	7 May 2003
Murray Tosh	Con	7 May 2003

1.4.2 Scottish Parliamentary Corporate Body

The **Scottish Parliamentary Corporate Body** (SPCB) is chaired by the Presiding Officer and is made up of four members elected by Parliament from its MSPs. It is responsible for ensuring that the Scottish Parliament is provided with the property, staff and services it requires. The SPCB considers and makes decisions on a wide range of issues concerning the running of the Parliament including the financing of the Parliament and allocation of the budget, the staffing of the Parliament, accommodation and the use and the security of parliamentary facilities.

The Presiding Officer continues to serve in post during dissolution and until the election of the next Presiding Officer in a new session.

Members of the Scottish Parliamentary Corporate Body continue to serve in post during dissolution and until the election of replacement members in a new session. This is the case unless an MSP resigns from the SPCB, ceases to be an MSP (other than by dissolution of the Parliament), or the MSP is removed from the SPCB by a resolution of the Parliament.

1.4.3 Parliamentary Bureau

The **Parliamentary Bureau** consists of the Presiding Officer and representatives of each political party or group in the Parliament which has five or more members. The representatives are nominated by the leader of each party. The main functions of the Parliamentary Bureau are:

- To propose the business programme.
- To propose alterations to the Daily Business List in the Business Bulletin if there should be changes in the advance programme.
- To propose the establishment, remit, membership and duration of any committee or sub-committee.
- To determine any question regarding the competence of a committee to deal with a matter, and, if two or more committees are competent to deal with a matter, to determine which of those committees is to be the lead committee responsible for that matter.

Standing Orders allow Parliamentary Bureau members to arrange for another member to take their place at Bureau meetings by notifying the Presiding Officer in writing in advance.

A deputy Presiding Officer may attend any meeting of the Parliamentary Bureau and may participate in the proceedings but may not vote unless he or she is chairing the meeting in place of the Presiding Officer, when he or she shall have a casting vote.

Members of the Parliamentary Bureau do not continue to serve during dissolution.

4. Committees

4.1 Committee Membership

The following table lists the MSPs and those committees of which they were members during the parliamentary year. Dates of service are given under each individual committee in section 4.3. Committee abbreviations are listed at the front of this publication.

A committee usually has between five and fifteen MSPs as members. Committee members are selected having regard to the balance of political parties in the Parliament. Membership of committees is proposed by the Parliamentary Bureau. The whole Parliament approves suggestions as to which MSPs are to be members of what committee.

Each political party which has two or more MSPs may nominate one of its members to be the party's substitute on each committee. The main role of the committee substitute is to stand in for a committee member of the same party if that member is unavailable for a committee meeting or is unable to act as a committee member at any other time because of illness, family circumstances, adverse travel conditions beyond the member's control, a requirement to attend to other Parliamentary business or urgent constituency business. Substitute members (S) are therefore not full time members of committees.

4.1.2 Committee Conveners and Deputy Conveners by gender and party

The members of a committee must choose a convener from a particular political party decided by Parliament. The Parliament makes this decision following a recommendation by the Parliamentary Bureau. In addition, each committee normally has a deputy convener who will chair meetings in the convener's absence. Deputy conveners are chosen in the same way as conveners.

Conveners	15	11
Deputy Conveners	21	8

Conveners	11	9	3	3	0	0	0	0	0

* Mike Watson is counted as Lab and NPA as he was expelled from Scottish Labour on 15 November 2004.

These tables are running totals for the parliamentary year.

The Freedom of Information (Scotland) Act was passed by the Scottish Parliament on 24th April 2002 and received Royal Assent on 28th May 2002. It came into force on 1 January 2005. These statistics refer to requests for information made to the Scottish Parliament under the Freedom of Information (Scotland) Act 2002 (FOI(S)A). Such requests seek non published information held by the Scottish Parliament at the time of the request being made. 9.3.2 Committee of the Regions (CoR)

The CoR is a political assembly and the official voice of sub-national authorities within the European Union (EU) and it provides a forum for the consultation of local and regional authorities on issues affecting them, giving formal recognition to the role of sub-national government in the EU decision making process.

CoR is made up of 344 members and 344 alternate members of local and regional authorities from the 27 Member States. Members are proposed by Member States for a four year mandate. The UK has 24 members and, within this, Scotland has four full and four alternate members: two full and two alternate members are nominated by local authorities through Cosla and two full and two alternates are nominated by the Scottish Executive and Scottish Parliament and are ratified by a motion of the Scottish Parliament.

9.3.4 Conference of Regional Legislative Assemblies (CALRE)

Founded in October 1997, the aim of this organisation is to increase the influence of regional parliaments within the EU and to allow networking between them.

Membership is limited to Presiding Officers/Speakers and there are 74 member regions from 8 EU Member States. The Scottish Parliament has observer status within CALRE and the Presiding Officer attends the plenary meeting. The Scottish Parliament has observer status as membership could require the Presiding Officer to make commitments on behalf of the Scottish Parliament and, under the Scotland Act 1998, the Presiding Officer does not have the powers necessary to make such commitments on behalf of the Parliament.

9.3.5 Congress of Local and Regional Authorities of Europe (CLRAE)

CLRAE is a consultative body of the Council of Europe, advising the Committee of Ministers and the Parliamentary Assembly of the Council on all aspects of local and regional policy. The Congress provides a forum where issues, experiences and views can be expressed and discussed on a pan-European basis. It is divided into a Local Chamber and a Regional Chamber.

The UK has 18 full and 18 substitute places on CLRAE divided equally between the two chambers. Representatives qualifying for membership are those who are “directly responsible to an elected regional body”. Members have a two-year mandate. Members attend in a personal capacity and do not represent the institution from which they are drawn but the regional or local level of governance within their Member State.

As part of the UK delegation, Scotland is allocated one full and one substitute member in the Local Chamber (a Scottish local authority representative, nominated through COSLA) and in the Regional Chamber (Members of the Scottish Parliament). In the Regional Chamber the full member is a member of the Scottish Executive and the substitute member is a backbench MSP.
