Supplementary written evidence from the Liquor Control Board of Ontario (No 2)

Listed below please several links to introductory information about managed-alcohol shelter programs in Ottawa and Toronto, Ontario.

The first links are to a research article and a commentary column published in 2006 in the peer-reviewed Canadian Medical Association Journal:

http://www.cmaj.ca/cgi/content/full/174/1/45 and

http://www.cmaj.ca/cgi/content/full/174/1/50

Also dating back to 2006, this link to an Ottawa Citizen newspaper article profiles the work and early results of the the managed alcohol program in Ottawa:

http://www.canada.com/ottawa/story.html?id=5ea94935-b5bd-4dcb-bfd6-cb392e275630&k=15366&p=1

From the Centre for Addiction and Mental Health (CAMH) Winter 2008 Newsletter, a commentary column by one of the key Toronto-based physician's working in this area of care/service, Dr. Svoboda:

Last, here is a link to very general information about the Annex Harm Reduction Program at Seaton House in Toronto, including a synopsis of program results.

If there were interest among Committee members in more detailed information, you may wish to consider e-mailing the authors cited in the Canadian Medical Association Journal articles or enlisting the assistance of Michel Perron of the Canadian Centre on Substance Abuse, who also appeared before the Committee this morning, to guide you to any program reports or evaluation reports.
